11th January 2018

Dream – Believe – Achieve Together

- We had a very successful start to the term last week with each class working on a particular project. We do this each year as a way of looking at an area of the curriculum in greater depth, perhaps in a way that the busy timetable normally prevents us from doing. For example Roman chariots were researched and made, science experiments completed and archaeological digs carried out. Year 6 also completed some amazing work on Biomes which both teachers were very impressed with.
- As part of our Methodist partnership with Kent College, Year 2 visited the Kent College Farm on Tuesday to learn about living things and their habitats.
- Year 4 have visited Canterbury Cathedral today to support their work this term on pilgrimages. They will take part in a workshop and activities as well as look around the Cathedral.

Diary Dates

January

- 4th Start of term 3
- 10th Yr 2 Kent College Farm
- 11th Yr 4 C/bury Cathedral
- 30th Young Voices O2

February

- 9th End of term 3
- 12th – 16th Half Term
- 19th Staff development day
- 20th Start of term 4
- 27th Yr 4 Hampton Court

Unfortunately Miss French was very poorly over the Christmas period and continues on her road to recovery. She will not be with us next week and so the arrangements for the class will continue as they have this week. I am extremely grateful for all the hard work Mrs Branton and Mrs Wiffen have been doing in class and it is pleasing to see everybody rally round to help. I have also particularly enjoyed getting to know the children better during our literacy lessons and look forward to this continuing next week.

A new clubs sheet will be sent out next week.

Club start and end dates will vary this term so please check the sheet carefully. Club charges do vary but this depends on sports coaches charges. We do not make any profit from clubs and any extra income pays for new equipment and expenses in taking children to competitions.

Collective Worship: this week we have been visited by The Family Trust, who talked about honesty, and Rev Helen who led a collective worship session on how wonderful each person is. Meanwhile our theme for school led worship is the value of forgiveness.

Dear God, Thank you for friends and family and for lovely food and drink that I take for granted. Amen

A new school dinner menu has been sent home for term 3. If your child would like a regular jacket potato on a particular day, please let the office know.

On Thursday 18th January, Nourish have a special menu to celebrate Friendship Day. KS1 will be free under the Universal Free School Meal scheme and it will therefore be assumed that every child in Reception, Year 1 and Year 2 will have a school lunch that day. Please let us know if your child will be having a packed lunch instead.

KS2 children will need to pay £2.30.

Every child that has a dinner on that day will enter a competition.
