- Please see overleaf a letter from Canterbury Food Bank thanking them for our support with donations at Christmas.

A new clubs sheet has now been sent home.

Club start and end dates will vary this term so please check the sheet carefully. The costs of clubs do vary but this is related to the paying of sports coaches. Please note we do not make any profit from clubs and any extra income pays for new equipment and expenses in taking children to competitions. Unfortunately the national tightening of school budgets means that even small gestures such as subsidising clubs is now difficult to manage.

Collective Worship: This week our collective worship sessions have been led by a range of different teachers with our focus on forgiveness and looking for change. The prayer read out in our celebration assembly last week was written by Harry H in Year 6 Bears

Dear Lord, Thank you for forgiving all of our sins from the year. We thank you for Christmas, Easter and all the celebrations that we have. Amen

If arrangements change for collection time and your child is going to be collected by another parent or a friend, if possible please let the teacher know or call the office before 1.00 pm.

Please make sure your child has a coat in school for breaktimes and playtimes and are suitably dressed for the cold weather. Children also need to have their PE kits in school with trainers. If you have any sports vests or football kits at home, please can they be returned to school.
