My child..... year ..... would like to attend the following clubs for term 1: .....

My child has the following medical conditions which may affect their ability to take part:.....

Following the after school clubs my child will  be collected  go to Late Care  walk home unaccompanied (please tick as necessary)

We will keep you informed of any last minute cancellations of clubs due to staff sickness etc via Schoolcomms. If there is rain, outside clubs will be cancelled.

## After School Clubs and Sports Competitions for 2014-15

Welcome Back

As you can see from this term's clubs list overleaf, we are offering a wide variety of activities to all year groups. We are aiming to offer some brand new sporting activities this year and enter more competitions (worked around the club timetable) as well as holding our own internal sports competitions. Each term there will be new clubs available to different age groups.

Any activities run by school staff will be free and any new activities run by outside agencies will be free for the first term but then will incur a charge for the following terms. Some external long term coaches/teachers will charge their usual fees (see termly club timetables for details).

### Club Attendance

Please ensure that if your child signs up to a club that they attend every session. If your child is ill please make sure the coach is notified. Due to many clubs being limited in numbers if a child does not attend for two weeks without notifying the coach then their place will be given to another child on the waiting list.

### Club Behaviour

Whether the club is run by a member of staff, coach or volunteer, the expectation of our children's behaviour is the same. If there are any problems with behaviour, parents and class teachers will be notified and children will receive a yellow card (depending of severity) or be asked to miss a session. If this behaviour continues then a child will lose their place in the club for that term and the place will be given to another child on the waiting list. If you have any concerns about your child at a club, please speak to the coach/ teacher. Part of our sports clubs will be about teaching children fair play, sportsmanship and team work which are all part of sport and competition.

### Teams and Competitions

We are very keen for as many children as possible to take part in clubs this year and to 'have a go' at new activities. We are also very aware that we have some sporting talent at our school who are keen to compete at higher levels. Our aim is to meet the needs of all. Therefore there will be some competitions we enter that will enable children to experience a festival or tournament and others that will involve stronger teams. This should enable us to take sport and activity to children of all levels and allow some to try out new skills and activities whilst channelling our more competitive children.

### Sports Kits

Please ensure your child has appropriate clothing and footwear for all clubs and for their class PE day. If they are taking part in an outdoor club, please ensure they bring in different sports kit and trainers to their PE kit as they are likely to get muddy and wet and then be unable to wear this clothing for PE later in the week.

Children wishing to take part in competitions will need a red Boughton t-shirt. These are available from the office for £3.50. We would also encourage children to buy a red Boughton hoodie for the winter which can be bought from [www.mapac.com](http://www.mapac.com) for £10.00 plus P&P. Please remember that children should not be wearing any jewellery, earrings and long hair should be tied up during PE lessons and for clubs.

Having been awarded the Bronze Sports Mark last year for our improvement in PE and sports provision we are committed to building on this over this academic year and putting Boughton on the map as a Sporting School. If you have any ideas for future clubs or able to help in the future please don't hesitate to contact Claudine or Damon.
