Newsletter Term 4

Welcome back to Term 4! We hope that you have all enjoyed half term. This newsletter outlines what the Year 4 pupils will be covering during the new term and includes some relevant dates and information.

THE TUDORS

This term we are continuing to learn about the exciting era of the Tudors. We now know a lot about Henry and his six wives; this term we are going to be focusing on what the difference was like between rich and poor Tudor families. We are hoping to organise a visit to the Fleur de Lis museum in Faversham to see what Tudor influences we can spot around our local area...more details to follow!

Home Learning

This term's Home Learning will continue to be a Numeracy task or game to carry out and a set of spellings to learn. Children should also continue practising their times tables at home on a regular basis.

Spelling tests will continue to take place on Mondays and will be set on Wednesdays. Children will also be tested weekly on their knowledge of high frequency words this term.

The pupils will also be receiving a small weekly task linked to our topic work which will also be due in on a Monday.

P.E

Pupils will be doing Dance and Invasion Games with TeamTheme in P.E this term. Parents are reminded that the indoor P.E kit consists of the Boughton T-shirt, plain black shorts and black plimsolls. The outdoor P.E kit consists of a logo-free tracksuit that will be warm in the cold weather and trainers. Pupils will continue to be doing P.E on Thursdays and Fridays.

Key Dates & Information

Mon 3rd March - Sponsored bounce

Thurs 6th March - World Book Day

24th - 28th March - Assessment week

Thurs 3rd April - Y4 Parent
Consultations

Fri 4th April - Last day of term

Reading Records

Diane, Doug and I will continue to hear children read in class weekly. It is also expected that children continue to read at home with an adult regularly. Please let me know should your child need a new reading record or if their reading book needs to be changed.
