## Term 1

Hello and welcome back to school, we hope you had a great summer and had lots of exciting adventures. I am really excited about teaching at a new school and have had a fantastic first few days. We really hope your children are enjoying being in year one so far and looking forward to the learning they are going to be involved in. This term our topic is all about growing, we can't wait to get into the garden to get planting. If you have any cuttings, seeds or bulbs that you could kindly donate it would be greatly appreciated. Please do not hesitate to speak to any of the year one team if you have any questions or comments. Thank you for your support Siobhan, Sharon and Lesley.

Continuing from last year, children will be involved in the Monster Reader initiative. Please try and read with your child everyday writing a short comment or signing the book. By reading with your child three or more times a week, they will receive a sticker and if they get a sticker every week, they will receive a prize at the end of the term. Books will be changed on Mondays, Wednesdays and Fridays.

*PE will be on a Monday and Tuesday afternoon. Please can you make sure that your child has a clearly labeled PE kit in school. This should include a plain white t-shirt, black shorts and plimsolls. Please could you also provide a plain tracksuit for the upcoming colder weather.*

**Home learning will be given out every Wednesday and expected in the following Monday. Home learning will be linked to the learning taking place in class.**
