

## Rabbits Newsletter - Term 4

### Topic

This term our topic will be ourselves. I am really looking forward to finding out even more about the children. Thank you so much for all the baby photographs. The children have already created some fantastic self portraits. Come and have a look at our "hall of fame" when you get a chance.

### Home Learning

Thank you for continuing to support your child's learning at home. This term it would be fantastic if you could keep practising forming numbers correctly (lots of us are doing a back to front variety). Orange books will continue to be collected on a Monday and spellings on a Tuesday. Both will then be returned on a Wednesday. As ever if you would like to have a chat or need advise about your childs learning at home please do not hesitate to come and see me.

### P.E

Both indoor and outdoor P.E kits are needed this term. Our days for P.E will be Monday for outdoor P.E and Wednesday for indoor P.E. Please can you check your child has a P.E jumper/ tracksuit top and socks in their kit.

### READING!

Thank you for the many signatures in the reading records to show that your child has been reading at home. Your support is making a huge difference to their reading. Promoting the joy of reading is extremely important both at school and home. **Please remember that we are asking that you aim to read at home five times a week.** When your child achieves this a monster reader sticker will be placed in the reading record. At the end of each term the children receive a fun lunch if they have achieved the above goal every week of the term. It would be amazing to see more of year 1 at the fun lunch. This term Lisa will continue to support our class with their reading.

## Outline of Term 3 Curriculum

### Topic - Ourselves

- Literacy - Fantasy worlds. poetry.
- Numeracy - Data handling, partitioning, time, problem solving, calculation, shape.
