Dear Parents

I just wanted to write to say, now that I have been here for a little bit longer, how lovely it is that we have been involved in some really great activities.

Every time I go into class, regardless of year group, it is impressive to see the wonderful learning and the children's enthusiasm for it. It has also been a pleasure to watch the Year R, 1 and 5 class assemblies where the children shone with their confidence and ability to speak in front of such a large group of children and adults.

Sports Day - We hope you are able to join us on Monday 30th June for our school sports day. Please see overleaf for details of the event.

As part of school sports week, we are taking part in the 500 mile challenge next week where every child is being asked to walk, run and scoot as many metres as possible to enable the school to achieve 500 miles in total.

On Monday and Tuesday the children will be walking around the school grounds. On Wednesday they will be taking part in a cross country run. On Thursday and Friday they are invited to bring in scooters. If your child brings in a scooter, please ensure they are named and are kept in the bike shed and taken home each night. Each child will be given a log sheet to log their metres for the week.

Well done to the children who attended the Kwik Cricket tournaments. The Year 5/6 team came 4th out of 40 schools and the Year 3/4 team came in the top 10 out of 36.

On Monday, 14 children from Year 2 went to a KS1 Football Festival hosted by the School Games Team at The Abbey School.

Dance club will not be held on 1st July as Sarah cannot be there.

Year 6 spent the day at Davington School on Monday learning handball and had training by a Dan McMillan, a GB Athlete.

Year 5 visited The Abbey School on Wednesday for a Healthy Living Day. It was a fantastic day and thoroughly enjoyed by the children.

Lesley, our FLO, is next in school on 30th June, 1st, 2nd & 3rd July or email

Kay, our SENCO, is available all day on Thursdays or email

A toddler group have asked if you have any 0-4 year old toys to donate. If so, please can you pop them into school by Friday 4th July.

Please make sure the outside security gate is securely shut when entering and leaving the late care building. Some parents are still leaving the gate open and this is compromising the safety of our children.

LATE CARE

On Friday 4th July when the school have their summer fair, the Late Care session will be carrying on as normal. To ensure the safety of our children at the end of the school day, we will be gathering in Year 2 Arctic Foxes classroom. If your child usually attends this session, please would you make sure you have informed staff if your child will be attending on this day as opposed to being booked off to go to the fair. Thank you for your co-operation.
