*Doing all the good that we can*

1<sup>st</sup> April 2021

*A note from Mr Way...*

We have made it to the end of the Spring term and although we have only been fully open to all children for 4 weeks, it has been an exhausting period of time since the turn of the year. Easter will hopefully give everyone a chance to pause, catch their breath and prepare for the summer term. Hopefully nicer weather and an easing of restrictions will allow us some enjoyment too.

On that note please can I ask that you keep a closer eye on the children in the park during the holiday and also before and after school. We have reports of children playing in the roads and throwing sticks from trees as well as general unkind behaviour. This happens each summer and we always speak to the children about it however we are not able to supervise them during this time. There have also been accidents and injuries before school which isn't the best way for any pupil to start the day. If your child visits the park unaccompanied please speak to them about the behaviour you would expect from them. Thank you. Have a lovely Easter holiday and keep safe.

Mr Way

*Some points to note...*

- **Parent consultations** in school on the 27<sup>th</sup>, 28<sup>th</sup> and 29<sup>th</sup> April. A letter was sent out this week. Please return to the school with your preferred appointment times ASAP.
- Please can you be mindful in the alley of other parents and members of the public trying to keep their 2m distance. Try not to linger in this enclosed space.
- Boughton village are holding a **Summer Fayre** on 10<sup>th</sup> July and we will be supporting this event. Please see separate poster for more details.
- Congratulations to Dea (yr 1) and Ivanina (yr 6) for winning the breakfast and late care Easter colouring competition. They were closely followed by runners up Harry (yr R) and Ella (yr 5).
- Each year we ask for donations of plants to help our school site look its colourful best. We would be extremely grateful if you have any spare plants that could be donated to us.
- Laura is asking parents and friends of the school to help make a tepee for the reflection area – see details on the attached flyer.

 We are currently in Holy Week and as we celebrate Easter it would be an ideal time to ask your children about the significance of this time in the Christian calendar. Of course we think about this as a time of rebirth and fresh starts and this seems particularly apt as restrictions are eased. However to Christians the Easter story and Jesus's subsequent resurrection is a time to celebrate and reflect on His ultimate act of giving. Enjoy the Easter eggs but do take a moment to think about the meaning of this holiday. 

*Dear God, At Easter think about Jesus bringing new life to the world. Remember him as taking our sins to make a better life for you, Amen.*

Mia, Year 2

*And finally...*

Wishing you all a very happy Easter holiday and we look forward to seeing the children back in school on Monday 19<sup>th</sup> April.

*Start children off on the way they should go, and even when they are old  
they will not turn from it* Proverbs 22:6
