Doing all the good that we can

- Thank you to the PTFA and all the volunteers for a fantastic Summer Fair last week.
- Well done to the year 5 children for playing in the ukulele assembly on Tuesday.
- Year 5 went to The Abbey School on Monday to take part in a Healthy Living Day and on Wednesday visited the Queen Elizabeth School for a forensic science day. Meanwhile Year 6 were invited to The Whitstable School on Thursday to watch an e-safety show run by Kent Police.
- The whole school enjoyed watching the Year 6 play on Wednesday and everyone in attendance really enjoyed the performance. The comedy timing, singing and overall performance were all simply brilliant! Well done to Mr Warner, Mrs Douglas, Mrs Jones and all the children.

Collective worship this week has been led by Mr Way, Miss Ewing and Rev Tim and Mr Way. Rev Tim came across from St Peters church in Canterbury in place of Rev Emmanuel who is on holiday, Last week Archie in year 1 took it upon himself to write a prayer and asked to share it with the school which is exactly what he did. Well done Archie.

Dear Lord, Help us to do the best that we can today to be good, to meet other people and to make friends. Amen by Archie (Year 1)

Dear Lord, Thank you for all of the things we take for granted. Thank you for the people who we don't see working hard. Help us to understand all the things that are made for the benefit of us, Amen by Jack (Year 6)

Thank you to all of you that posted such complimentary comments about the school in light of our Ofsted visit. The inspector was very impressed with so much of what we do and Parent View was extremely positive. It is unlikely that the letter from Ofsted detailing the outcomes will be available before the summer holidays but rest assured that our vision and values that make our school unique was recognised and remain firmly in place.

Doing all the good that we can...

It was lovely to hear that a number of children talked to the inspector about doing all the good that they can and how it shapes friendships and who they are as individuals. There were many examples of these seen around the school all of which makes us very proud.

Reports are being sent home on Thursday next week. An open afternoon will take place on Friday 19th July from 2:00pm (apart from Year 1 which will be on Monday 22 July at 2.00 pm). This will give you an opportunity to see some of your child's books before they move up to another class and of course to speak to their current class teacher. Children can be signed out from this time

Sports Day – Wednesday 17th July

Our sports 'day' starts at 9am and finishes with a family picnic lunch at about Midday which you are all invited too. As last year, the day will start with a carousel of activities within mixed age groups which will then be followed by class races with parents invited to stay and watch throughout the morning. Children will need to wear their house coloured t-shirts. This year, back by popular demand, Mrs Love's Coffee Shack will be open for business from 8:40 and throughout the morning. Bacon rolls are making a return too...

Start children off on the way they should go, and even when they are old they will not turn from it Proverbs 22:6
