A note from Mr Way...

We will be sending out a new clubs list next week. Once again we have tried our best to provide a balanced range of clubs for the children. I know of schools that are not running clubs at present so I am particularly pleased that we can offer them to our children. They will start on the 31st January and will run until Easter.

Covid Update...

Currently there are 5 of our children off school with confirmed positive results and the relevant individual classes have been informed of new cases. There are a further 7 children absent from school waiting for PCR test results generally as a result of a member of their household being positive. We do not have any staff members off with Covid at present. I am always grateful for your support and common sense approach as we continue our attempts to keep those affected by Covid to a minimum within our school. Thank you

Mr Way

- On Tuesday we had a visit from the Fire Brigade who ran workshops for each class throughout the day.
- Young Voices was cancelled this month due to covid. It has now been rescheduled for Tuesday 24th May 2022.

Collective Worship

Mr Way told the story of Jesus feeding 5000 people with 5 loaves 2 fish and he explained how the young boy who gave up his lunch could never have anticipated how his generosity could make such a difference. Mr Way used this story to explain that the tiniest generous gesture, including the giving of time, a smile or a thank you, can make a big difference.

Rev Tim visited on Tuesday and he told the story of Jesus converting water into wine and he did so in his own very unique way! The children always enjoy Tim's visits and so too do the staff.

Dear God, Thank you for the generosity of others and help us to learn to be generous too. Show us that small acts of kindness and generosity can make a difference to us all, Amen.

And finally...

Mia in year 3 is raising money in aid of British Red Cross. She will be dancing every day for 30 minutes for a whole month for the British Red Cross:

The British Red Cross helps people in crisis, whoever and wherever they are. We are part of a global voluntary network, responding to conflicts, natural disasters and individual emergencies. Your donation will go to help those in crisis both in the UK and overseas.
