Dream – Believe – Achieve Together

- British Values Week started with a non-uniform day to raise money for Madlug (a company that donate bags for children in care). We raised £162 which included staff donations. If you have not yet paid your £1, please pop your money to the school office.
- Year 4 visited the Fleur de Lis Museum in Faversham. The museum is housed partly in a 15th century building and contains a Victorian schoolroom and kitchen, WWI and WWII displays and shop fronts from the past. They also found out about the history of the creek side industry of brickmaking and how local villages have developed and changed over the years.
- Year 6 visited Faversham today to learn about the local area through a geographical treasure hunt.
- Unfortunately only 2 pupils attended the Faversham running event last Saturday but well done to Violet (year 5) for coming 1st in her race and Jake (year 3) for coming 3rd.
- 9 children from year 5 and 6 took part in a Kwik Cricket tournament on 19th June and had a very enjoyable day.

Non-uniform day. We have our rescheduled non uniform day to Monday (24th June). We would like every child to bring a bottle of some sort that we can use for our bottle tombola at the summer fayre.

Boughton Parish Council are planning to open a book exchange / library in the telephone box in The Street. If you have any books that you wish to donate, please place in the box provided in school office.

KCC highways have informed us that major gas works will be starting in Boughton from 1 July for 9 weeks affecting the following roads; Arthur Kennedy Close, The Street and The Ridgeway. Temporary traffic lights and parking restrictions will apply.

A big thank you to the members of the PTFA for organising the very successful Father's day gift sale and the extremely popular Ice Cream sale on Friday. The plan is for this to happen every Friday until the end of term.
