<p>Don't forget to order any school uniform from Mapac ready for September. We also have second hand uniform available at the office.</p>	<p><i>Sports Watch</i></p> <p>On Wednesday some children from year R, 5 and 6 took part in a dance festival for the School Sports Partnership. Well done to all those that took part.</p> 
<p><i>A note from Mr Way...</i></p> <p>I was reflecting on this term so far for a report that I write to the governors and thought about the trips we have recently undertaken or are about to. As you know Year 6 visited Parliament recently and on Tuesday Year 2 visited a local working farm where they picked their own strawberries and learnt about the process involved in this. Then tomorrow (Friday) Year 5 are off to Canterbury mosque as part of the RE curriculum. Of course there has been so much more happening yet I feel that these three trips demonstrate our commitment to a wide ranging education of the children, bespoke to Boughton and giving the children a good understanding of the world around them locally, nationally and globally.</p> <p>Next week we have our transition day with the year 6 pupils attending their new secondary schools on Thursday and the remaining children meeting their new teachers for next year. I will write at the beginning of next week with the details of our staffing structure for September and any changes that are being made.</p> <p><i>Mr Way</i></p>	
<ul style="list-style-type: none"> • 4 children from year 5 represented the school at the Junior Kings School Maths Competition and came 6th and 15th out of 37 schools. • Year 2 visited Langdon Manor Farm on Tuesday to learn about how a farm works to grow, pick and pack their fruit. This was a lovely chance for the children to experience some 'hands on learning' in our local environment. Thank you to Mr Pendry for arranging this for us. • Year 3 would be grateful for any second hand children's books in good condition to sell at the Summer Fair. 	

- As we are reaching the end of term 6, please make sure any outstanding money for breakfast and late care and school trips are settled. Breakfast and late care invoices for term 6 will be emailed this week.

Sports Day – Wednesday 20th July

Our sports 'day' will start at 9am and finish with a picnic lunch at about midday. Parents/grandparents are invited to join the children on the field for lunch. The day will start with a carousel of activities and will then be followed by class races.

There will be an area for parents to be able to watch their children participate. Children will need to wear their house coloured t-shirts.

This year, back by popular demand, Mrs Love's Coffee Shack will be open for business from 8:40 and throughout the morning aided by Mr Cummins who will be serving bacon rolls and refreshments.

Just a reminder that we will be collecting food from Monday 27th June until Friday 15th July, so that our local foodbank can support local families over the summer holiday period. Unlike at Christmas, there will be no set day for class donations; a collection point will be situated in the office area.

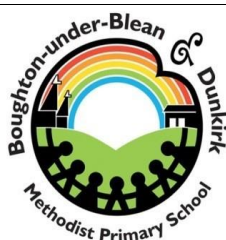

As ever, **Thank you** in advance for your donations and your continued support.
