

Dream – Believe – Achieve Together

Young Voices 2019

- 12 children from the school took part in a speedstacking festival at Herne Bay High School on Wednesday.
- Kent Fire and Rescue visited the school today to speak to each class about the dangers of fire and what to do in an emergency.
- Reports will be coming home on Friday 15th February.

- 25th-29th Yr 5 Bikeability
- 27th Yr 1 RNLI Trip

Collective Worship this week has been led by Miss Holness, Mrs Cottenden, Mrs Lewis and Mr Way this week. Mrs Cottenden's assembly focused on Safer Internet Day.

Dear Lord, Thank you for the warm houses we go home to. Thank you for the good food we eat to keep healthy. Help us to think about and provide for people who are less fortunate than ourselves.

Amen by Kaitlyn (Year 6)

The new swings for Bull Lane Recreation Ground are currently being installed. These are the swings that were requested by Ava in year 4 and she has helped fundraise for.

The Parish Council are so pleased that a young person from the village school has shown such initiative in suggesting the project and are happy to have been able to support it.

Please help...

- Can I remind you that we are a no smoking school which includes vaping.
 - I have asked the children to stay off the school field when we open the gates in the morning as it is a little too muddy at the moment. If your own child forgets perhaps you could remind them.
- Thank you

As next week is the last week of term 3, please can we ask that all breakfast and late care fees are paid and up to date, together with any outstanding trip or dinner money. Thank you

Red Nose Day/Comic Relief is on 15th March. From next week we will be selling red noses in the school office. The price of a red nose is £1.25 (the correct change would be appreciated).
