Edition 18 December 2023

"I enjoyed learning about 2D shapes and re-telling the story of Foxes in the Snow. I liked saying my lines in the nativity in front of all the crowd."

Ethie (Year 2)

"I like playing with my new friends. I like learning maths. I think the school dinners are really yummy."

Peony (Reception)

"In art we have made fish tiles from clay. When they were dry, we painted them with hot and cold colours. We also made printing tiles from polystyrene and chose different colours to print with. I like learning the recorder. At the moment we are learning to play Jingle Bells."

Ada-Mai (Year 4)

"In history we have been learning about the Ancient Egyptians. We have learnt about the different gods and their powers and all about the process of mummification. We made our own Egyptian pots in art using clay. In literacy we have been looking at the book Tuesday - it's a mystery about flying frogs but the book has no words, just pictures of clocks!"

Aiya (Year 5)

"I liked going to the Roman Museum in Canterbury with Mrs Blunt - it was fun. I made my own mosaic and catapult. I also stamped a coin from Roman times. I enjoyed creating stone age art by putting paint on my hand and splatting it on sand paper."

Zara (Year 3)

"I like doing some maths - we have been learning about repeating patterns. I liked writing about Jonah and the whale. I like playing on the climbing frame at break and lunchtime."

Florence (Year 1)

"We took part in an evacuee experience on our school trip to Kent life. We dressed up and did lots of different workshops - we made rag rugs and learnt how to march like soldiers. I have enjoyed maths - we are learning about fractions. I enjoy sitting on the benches in assembly now rather than on the floor!"

Sam (Year 6)

"I liked making my Roman shield and marching with it on the playground. I also enjoyed being a hunter gatherer finding things in different categories. I like completing the times tables grid - I try to do it as quickly as I can."

Adam (Year 3)

"I have enjoyed all the Harry Potter themed work in literacy. We have described scenes from the Forbidden Forest and the Great Hall. We went to Creed outdoor centre just before half term. I climbed, practised archery and made a pretty good fort in a group. I love maths." **Oscar (Year 5)**

"I have enjoyed the start of our new Design and technology project on bridges. We have been learning about the different types of bridges there are and what is sturdy and what is not. We are going to make bridges in small groups out of paper straws, pipe cleaners and card. I have enjoyed our history topic on the Victorians. I really enjoyed our school trip to Kent Life." **Sam (Year 4)**

"I love playing with my new friends. I have fun with them. I like playing outside doing the obstacle course and using the hula hoops. I have been learning lots of new letters."

Lenny (Reception)

"I have enjoyed have the chance to be a Sports Leader and running a school competition. I also do the words in assembly - it's a bit scary sometimes as I have to make sure the right screen is up. In September we went to Hindleap. We did multiple outdoor activities including archery, climbing and map reading. I enjoyed being away from home and being with different people to normal." **Tom (Year 6)**

"We learnt about Stanley and the Whale. When we finished the book, we made jellyfish. We went on a trip to Wildwood - we saw lot of animals. We saw bunnies and some crows in a cage."

Rupert S (Year 1)

"In maths we've been learning takeaway, adding and times. We are making Christmas stockings at the moment. In PE we learnt a Wake and Shake routine and today we showed it to the rest of Key Stage 1." **Jasper (Year 2)**
