

Term 6 Newsletter

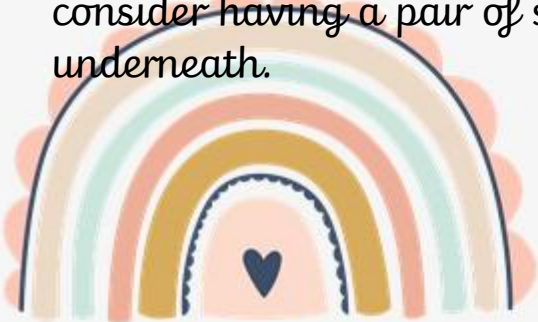

Hello! Term 6

Welcome back to school! We hope that you all had a lovely half term break and got to enjoy some time with family and friends in the sunshine.

We are entering our final term of year 1, so let's make it our best!

Just a Note

As we are in the Summer term, lots of our little ladies are wearing their summer dresses. However, they also love to swing upside down on the play bars and to sit in a manner in which others can see their underwear. Due to this, you may wish to consider having a pair of shorts underneath.

Phonics

Our phonics screening shall take place in the week commencing 8th June. The children have worked hard on their phonics all year and have made us very proud. Those who do not meet the pass mark of 32 shall have another try next year, following some further teaching.

Key Dates

- 8th June – Phonics Screening
- 15th June – Church visit in the afternoon
- 26th June – Brogdale Trip
- 22nd June – Drama Workshop
- 26th June – Trip to Brogdale
- 2nd July – Year 1 transition morning
- 3rd July – Summer Fair
- 7th July – Year 6 performance to school
- 9th July – Ash House Cake Sale
- 10th July – Campfire
- 15th July – Sports Day (morning)
- 17th July – School reports sent home
- 17th July – Reading Enrichment Day
- 21st July – Last day of term

Term 6 Curriculum Overview

Maths – In our sessions we shall be exploring place value within 100, addition and subtraction, money and time, as well as recap and revising other areas of maths covered this year.

English – We shall be using the text 'The Barnabus Project' by the Fan brothers to base our writing upon. We shall write for a variety of purposes in order to practise our sentence structure, punctuation and use of descriptive language. We shall also be writing some non-fiction related to our work on the local area in Geography.

Science – This term we shall be focussing on forces and continuing our work on both light and sound. Our trip to Brogdale should also help us in our understanding of plants in an outdoor based, enjoyable way.

Art/DT - In Art and DT, we shall be using a variety of media to create and explore the work of a famous artist. We shall also be creating some 3D models together.

Music – In our music sessions we shall be using the glockenspiels this term to perform together in an ensemble, learn some songs and compose our own simple tunes.

RE - In our RE sessions, we will be continuing to discuss sacred places what makes them this way. We shall compare some sacred places of different religions and look at what would be found in these places and why.

PSHCE – We shall be holding some discussions and debates around the key question, 'How can we look after each other and the world around us?'

Computing – We are collectors! We will be searching for images online and using our copy and paste skills to sort them and edit them in a Google document.

Geography – We shall be exploring our local area and the place we live. This shall cover types of buildings, simple map work, how to look after our environment and finding out about our location in the world

PE – In PE we shall be learning a dance routine together, which parents will be able to see towards the end of the Summer term. We shall also be taking part in sessions focussed upon the game Rounders.
