# Owls' Class Newsletter- Term 2

Welcome back!

We hope that you had a fun yet restful break and that, like us, you are looking forward to the term ahead. The children settled into school life so quickly last term and this term we will continue to build on the great progress they have already made. This term we will be learning about Celebrations & Food before moving on to finding out more about the Christmas story and of course learning our wonderful Nativity performance.

Please come and talk to us if you have any questions. Best wishes,

Mrs Foxall, Miss Holness, Mrs Wiffen & Mrs Clinch

### Reading at Home

Thank you for your ongoing support with reading at home. We will continue to change reading books each Tuesday and Friday. Don't forget that it is very common for children to struggle when first working on segmenting and blending the sounds in order to read a regular word. Continuous practice, both at home and in school, will enable children to continue making fantastic progress in this area.

We have been working hard on being able to tend to our own needs in class, including being able to put on our own coats and to change for PE independently or with very little help. This may be something you also want to encourage and reward your child for doing at home.

P.E. lessons take place every Tuesday.

Children should have their full named kit, including plimsolls or trainers in school at all times in case additional activities take place on other days.

As the weather gets colder children may want to bring a hat, scarf and gloves into school. Please ensure that each item is named, because at any one time we can have up to 60 gloves floating around in the coat area!

# Why not share some of these activities with your child:

#### **Topic**

- -Write down a list of foods you like to eat for breakfast
- -Write a shopping list
- -Find out what happens at a wedding or another celebration. Ask an adult what sort of celebrations you have taken part in. Are there photographs of these?

### Literacy

- -Continue reading your book regularly. Perhaps find someone different to read to. Have you ever read to a grandparent?
- -Practise writing words which contain the sounds you know. Can you write the following words? cat, pop, mat, pin, sat, nip.
- -Start to learn the tricky words listed on the next page. You should be able to read these on sight and from memory.

### Maths

- -Practise writing numbers. Can you write numbers 1-10 correctly?
- -Practise counting to 20 getting all of those tricky 'teen' numbers in order.
- -Make sure that you can recognise and name the following shapes.
- -square, triangle, rectangle and circle.
